ATTENDANCE

Absences and Tardiness

RCSA recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. Also, you need to be very aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Excused Absences

RCSA accepts only the following as excusable reasons for absence from school. **Parents or guardians must notify the school in the morning on any day their child is not attending.** The excuse shall be submitted to the school office and filed as part of the student's school record. An excuse for absence from school may be approved for one or more of the following reasons or conditions:

- Personal Illness: Personal illness of the student or when attendance in school would endanger the health of the student or the health of others is excused. Upon the student's return to school, appropriate medical documentation is required within three days of the absence(s). Your parent or guardian should call the school each morning you are home ill. When you return to school, you must bring an explanatory note from your parent or guardian or it will be an unexcused absence. The school requires a doctor's confirmation if the student has 3 or more medical excused absences.
- Serious Illness or Death in the Family: Serious illness or death in student's immediate family necessitating the absence. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as an excused absence within three days of the student's return to school. Your parent or guardian must call the office to explain

the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian or doctor.

- **Legal Requirements:** Court order by a governmental agency mandating the student's absence from school is excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring a copy of the court order documentation.
- **Special or Recognized Religious Holidays:** Special or recognized religious holidays observed by the faith of the student. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.
- **Weather or Environmental Conditions:** Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.
- **Financial or Other Conditions:** Other absences to be determined by, and at the discretion of, the Principal may be excused.

Unexcused Absences

An unexcused absence is a part of a student's school record.

Students will be marked for an unexcused absence for:

- **Failure to Attend School:** Failure to attend school, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused absences will be considered unexcused absences.
- **Out of School Suspension (OSS):** School days missed as a result of an out of school

suspension shall not be counted as unexcused for the purpose of determining truancy. RCSA allows students who miss school for an out of school suspension to make up any work missed (refer to the section Make-up Work for Excused Absences).

- AIT (Attendance Intervention Team) should a parent/guardian sign a contract with the AIT attendance will be strictly enforced.

Make-up Work for Absences – Excused or Unexcused

- An excused or unexcused absence from school, even for several days, does not remove any student from responsibilities in the classroom on the day they return to school. Students who have been absent will be given the same number of days that they were absent to make up missed work. For an absence to be excused, a note should be submitted to the school office no later than two days after returning to school.
- Most assignments are available on the RCSA Connect website 24 hours a day – should a student be absent for any reason, they should access this information via the Internet. Parents may call or e-mail teachers or the front office asking for assignments if it is not posted online. Any assignment not listed, or work material needed for an assignment, may be requested by the student when they return from their absence. **Please review teacher syllabuses for individual make-up work policies.**
- Also, on the day the student returns to school, it is the student's responsibility during the absence to review RCSA Connect and complete all missing assignments. Failure to do this may result in a zero for each of those assignments.
- For students who have been absent, make-up tests will be scheduled at a time designated by the teacher. It is the students' responsibility to take the test at that time. If the student fails to do this, the teacher is not obligated to set another time for the make-up

School Tardy

A student is tardy when he/she arrives at school after the beginning of the official school day, or is not in the assigned class at the official beginning of the class period. Students who are eligible for bus transportation and ride the bus to school will not be considered tardy when the bus arrives late to school.

- Late arrival to school as a result of reasons defined herein as excused absences or as a result of events physically out of one's control such as inclement weather, documented transportation delays, health related emergencies, power outage, compliance with court order shall be considered excused tardy if the sign-in procedure is followed. Students who are transported to school other than school buses and arrive late to school by vehicles must have their parent(s)/guardian(s) come into the school office to sign the student in as tardy, and provide the reason for the tardiness. For carpools arriving late, the driver responsible for the carpool that day must come into the school office and sign in each student as tardy, and provide the reason for the tardiness. Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class.
- Habitual School Tardy: Students who are unexcused tardy more than five (5) times in a calendar month or ten (10) times in a 90-calendar day period will be referred to the school's Attendance Intervention Team.

Early Checkouts

- Being removed from classes and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student.

- To be considered “in attendance” for a school day, a student must be present for at least one-half of the school day, excluding the lunch period. Students leaving school before meeting that requirement will be considered absent for the day.
- A parent or legal guardian must bring appropriate documentation showing the necessity of an early checkout at the time the student is released from school.

Truancy

If a student has at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month, or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar day period, the student’s primary teacher shall report the student’s attendance to the principal. The principal shall, unless there is clear evidence that the absences are not a pattern of non-attendance, refer the case to the school level Attendance Intervention Team (AIT).

The AIT will schedule a meeting with the parents or legal guardian and a representative of the district attendance office. If appropriate, a contract will be developed and signed by the participating parties. If the contract is violated, the case may be referred to the State Attorney’s office.

Perfect Attendance

Students are recognized if they maintain perfect attendance. Perfect attendance is considered as zero absences and zero tardiness to school and zero absences and zero tardiness to each assigned class. Whether the absence/tardy is excused or unexcused is not a consideration.

RIVER CITY SCIENCE ACADEMY

CODE OF STUDENT CONDUCT

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline a close, cooperative relationship must exist between the home and the school. It is our goal to provide close communication with parents at the onset of discipline problems, so that together we can find alternatives for students and they can experience success in relationships at home and school.

RESPONSIBILITY FOR INDIVIDUAL ACTIONS OR CHOICES

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional.

REWARD SYSTEM

Students at RCSA are always expected to exhibit appropriate behavior. However, in an effort to encourage students to go beyond the expected behavior, students will be recognized for "doing good". Some examples are, but not limited to:

- Assisting someone in need
- Volunteering to do an unwanted task
- Cleaning up after others
- Consistently having a cooperative spirit
- Exceeding requirements on an assigned task or assignment

Citizenship Award

Individual rewards will be planned for the end of each semester for RCSA students. Those students who have not received conduct points, lunch detentions, or Disciplinary Referrals during each semester will receive a **Citizenship Award** for excellence in behavior.

Commendations

A **Commendation** will be awarded to students who are observed exhibiting behavior “**above and beyond**” expected behavior. Any RCSA employee who observes a student engaged in this type of exceptional behavior can issue a **Commendation**. These **Commendations** will not be noted on a student’s permanent discipline transcript. However, they will be entered on RCSA Connect for parental viewing.

School – Wide Rewards

A system of rewards to students who reach a documented level of behavior has been put in place to recognize those students for their achievement. Eligibility for participating in each of these rewards differs for each reward – some are based on receiving **Commendations**, others are based on good behavior. Some of the **School-Wide Rewards** will be, but are not limited to:

- **Dress Down Days:** Eligible students for a **Dress Down Day** will be announced by the administration based on individual disciplinary record. Participating students must follow the RCSA guidelines listed under the section **Dress Code**.
- **Student of the month** – Student will be selected by teachers and administration based on their academics or behavior.

CLASSIFICATION OF INFRACTIONS

- **Minor Class I (Conduct Point System)**
- **Intermediate Class II (Referrals)**
- **Major Class III (Referrals)**
- **Zero Tolerance Class IV (Referrals)**

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee. It is understood that when a violation of the Code of Conduct occurs, the student’s explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case individually before assigning consequences. State Board of Education Administrative Rules 6A.3.0171 (2a) describes responsibilities of the school principal or other designated staff.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to parents, parent/teacher conferences, referral to a guidance counselor, etc. Detailed classroom management plan is described in classroom management guidelines section of student-parent handbook. If such measures do not deter the disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

RCSA has as its goal to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the RCSA administrators and teachers shall not allow inappropriate, distractive, or disorderly behaviors to occur during school, on school property, or at any school-sponsored activities. **STUDENTS WHO CONTINUOUSLY DISREGARD THE CODE OF CONDUCT MAY BE RECOMMENDED TO THE DUVAL COUNTY SCHOOL BOARD FOR EXPULSION.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. RCSA takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. **Weapons, drugs and gang activity will not be tolerated.** Students, who violate RCSA rules, or State laws related to these offenses, will be **suspended** and/or **recommended** to the Duval County School Board for **expulsion** from school. Violators will also be reported to **police** and may be **arrested**. **These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops, and other sites used for school-sponsored activities. Riding the school bus is a privilege and not a right.**

NOTE I: **Repeated violations** of the Code of Conduct in school and/or on the school bus will be considered willful disobedience and/or open defiance of authority resulting in possible suspension and/or a referral to the Duval County School Board for expulsion from school and/or the school bus for the remainder of the school year or a specific period of time. **Students may also be referred to Hearing Office for alternative placement.**

NOTE II: There shall be no type of hazing during any district sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code of Conduct.

NOTE III: Federal and state laws grant individuals reasonable expectations of privacy and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the Code of Conduct or state or federal law. Be advised that, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched. (Florida Statue 1006.09)

NOTE IV: Be advised that **students** will be held **responsible** for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.

NOTE V. Technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.

NOTE VII: A student may be required to obtain counseling and/or attend a recognized treatment program at parental expense and show proof of completion of such counseling or program. Such offenses may include, but are not limited to,

substance abuse, stalking, threats, intimidation, harassment, or acts motivated by hate or bias.

NOTE VIII: A senior student **who commits** a Class III or IV infraction, described in the Code of Conduct, shall **forfeit** the right to participate in graduation exercises and other senior related activities until the student has successfully completed all assigned consequences and disciplinary actions. RCSA regarding assignment to alternative centers shall apply to students who commit a Class III or Class IV violation.

NOTE IX: A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. The parent(s) or legal guardian of a minor student (or the student, if he/she is an adult) shall reimburse the owner of the bus for restoration or for replacement of any damaged school property in accordance with the true value as determined by the appropriate administrative staff. Students who damage school property, a school bus or bus equipment shall be subject to disciplinary action according to the Code of Student Conduct.

NOTE X: The Duval County School Board may expel a student from school based on grounds specified in the Code of Conduct. "Expulsion" means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and 1 additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The Duval County School Board has the sole authority to expel students pursuant to Florida Statute 1006.07.

NOTE XI: Cyberstalking as defined in s. 784.048(1)(d), F.S., means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Cyberbullying is defined as the willful and repeated harassment and intimidation of a person through the use of digital technologies, including, but not limited to, e-mail, blogs, social websites (e.g., Facebook, Instagram, Snapchat), chat rooms, instant and text messaging, and cell phone technologies.

Students will not use school equipment or networks to engage in cyberbullying or cyberstalking including, but not limited to, the posting of harassing messages on the internet, social networking sites, or other digital technologies, which may include social cruelty, direct threats, or other language or expression unprotected by law. Cyberbullying or cyberstalking may also include breaking into another person's account and assuming that person's identity in order to damage that person's reputation or friendships.

NOTE XII: **ANTI-BULLYING POLICY:** Pursuant to Florida Statute 1006.14, it is the policy of the RCSA that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. Accordingly, RCSA will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal laws and employee collective bargaining agreements. Conduct that constitutes bullying and harassment, as defined herein, is prohibited.

RCSA prohibits bullying or harassment of any student or school employee, volunteer or agent:

- During any education program or activity conducted by RCSA
- During any school-related or school-sponsored program or activity or on a school bus
- Through the use of data or computer software that is accessed through a computer, computer system, or computer network of RCSA. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action.

MINOR INFRACTIONS - CLASS I

Minor violations in or outside of the classroom, or on any off-campus after school events, will be handled by the issuance of Conduct Points. Students' violations will be recorded by the teachers or other staff by help of a computerized Conduct Log system. **Conduct points** can be given anywhere in the school by any school employee. Parents and students will have online access to the recorded information at RCSA-Connect. Administration will review the recorded Conduct Log weekly and assign consequences as follows:

1-3 conduct points: No consequence assigned, however points will continue to accumulate.

4-9 conduct points: After School Detention

10-14 conduct points: Half Day ISS/ Saturday School Detention /Loss of privileges

16 or more conduct points/week: Disciplinary Referral Form for not following school rules, that will lead to a Level II offence.

Students who receive **5 minor violation detentions** the following may occur:

- Mandatory parent conference with teachers.
- Student will be placed on a Student Behavior Contract.
- All future infractions will follow the intermediate behavior cycle.

Before executing the consequence, parents will be contacted within 24 hours with a letter sent home with the student, by email, or phone call regarding the assigned consequence for administrative detention, Saturday school, disciplinary referrals.

Teachers, in response to **minor** infractions in the classroom, will take the appropriate steps when students fail to abide by the established behavioral expectations. Should misbehavior continue or interrupt the instructional environment the teacher, student, and parents will complete a **RSCA Behavior Contract**.

Parents will also be contacted if repetitive minor violations are committed by the student in the same setting, such as in the same classroom. Repetitive minor infractions recorded in the Conduct Log will result in student being classified as Chronic Disciplinary Problem Student and may result in an Office

Referral. Minor infractions listed below are not exhaustive and are subject to change at any time at the discretion of the Administration. Different infractions carry different conduct points ranging from 1 to 4.

MAJOR VIOLATIONS DISCIPLINE CYCLE

Major violations (Class II-IV) of the student code of conduct result in a **Disciplinary Referral Form**. The Disciplinary Referral Forms are **investigated** and **consequences** are assigned by the **administrator and discipline committee**. Parents are notified within 24 hours of the consequences by either phone call, notice letter sent by student, or US mail. Assignments of consequences are progressive. In general, **each** disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have **higher** consequences if committed at a higher cycle step. Consequence ranges on the Major Violation Discipline Cycle cover most of the major violations. However, it cannot cover all possible examples for violating the listed offenses. **Any item that is deemed unsafe, inappropriate or hazardous to persons or property may be confiscated by school personnel.**

FORMAL DISCIPLINARY ACTIONS AND PROCEDURES

Definitions Relating to Formal Disciplinary Actions

The following are examples of formal disciplinary actions that may or may not be used in the school. Students and parents/guardians who desire to have further information about the disciplinary actions used the school should contact officials at RCSA.

- **Before/After School Detention** – Assignment to a designated area on campus at the beginning or end of the regular school day for a specified period of time.
- **Alternative Schools and Programs** – Schools and programs developed by the School Board for placement of students who have violated the Code of Student Conduct may be offered these voluntary programs, in special circumstances in lieu of other disciplinary actions. Such schools and programs include, but are not limited to, the Alternative Education Centers, the Substance Prevention Program (nighttime program) and the Students Option for Success Program (nighttime program).
- **Behavioral Contracts** – A contract entered into between a teacher or administrator and a student and his/her parent/guardian in which all parties agree to certain actions in an attempt to modify a student's behavior. The contract shall also contain consequences for breaking the agreement.
- **Cafeteria Suspension** – Denial of the privilege of eating meals in the cafeteria with other students for a specified period of time and assignment to another area in the school for meals.
- **Class Suspension** – Denial of the privilege of attending an individual class for a specified period of time and assignment to another area in the school for the time that class meets.
- **Expulsion** – Removal of the right and obligation of a student to attend a public school under conditions set by the School Board for a period of time not to exceed the

remainder of the school year and one (1) additional year of attendance.

- The DCPS Board may expel a student from school based on grounds specified in the Code of Student Conduct. "Expulsion" means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and one (1) additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The School Board has the sole authority to expel students pursuant to Florida Statute 1006.07.
- **In-School Suspension (ISS)** – Assignment to a designated area within the school when a student is removed from the regular school program for a specified period of time.
- **Network/Internet Suspension** – Certain technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.
- **Saturday Detention** – Assignment to a session at the school on Saturday for work assignments, academic work, or guidance.
- **Saturday School** - Saturday school is designed to promote timeliness and good school attendance. Saturday School hours are in discretion of school administration.
- **School Board Hearing Officer** – Designee of the Superintendent who holds a disciplinary hearing with the parent/guardian in the event that resolution is not achieved at the school level.
- **School Board Hearing** – Hearing by the School Board with the parent/guardian and School Board staff where staff and parent/guardian are given the opportunity to speak before the Board.
- **School Bus Suspension or Revocation** – Denial of the privilege of riding a school bus based on misconduct occurring while the student is being transported at public expense. Bus code violations may result in the suspension of bus privileges. A student may be suspended or expelled from riding the bus at any point in the discipline process. A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are

required to attend school. Bus suspension does not affect or excuse school attendance.

- **Night-time Substance Use Prevention Counseling Education Program** – The Night-time Substance Use Prevention Counseling Education Program is an alternative program available to students who have committed a 3.00 (Alcohol) or 3.01 (Drugs) violation against the Code of Student Conduct. **Parental participation is required.**
- **Suspension** – Removal of students from their regular school program for a period **not to exceed ten (10) days.** Pursuant to Florida Statute 1006.09, no student who is required by law to attend shall be suspended for unexcused tardiness, absence or truancy. Therefore, suspension is not an appropriate disciplinary action for Code violation 1.05 and 1.10, as it relates to students who fall within the mandatory state attendance requirements.
- **(Disciplinary) Work Assignments** – Supervised activities related to the upkeep and maintenance of school facilities.
- **Withholding of Privileges** -The student may be denied an opportunity to partake in school-related activities and/or events as deemed appropriate by the principal or designee.
- **Intervention Referral** - Classroom teachers may remove disruptive students and refer them to the In-School Suspension for a limited period of time not exceeding one class period. These referrals are recorded in the Conduct Log system. Parents are notified by the classroom teacher if misbehavior continues.
- **Out-of-School Suspension** - Out of School Suspension (OSS) is a formal disciplinary action that can only be assigned by the principal or designee and requires notice sent to parents via phone, e-mail, with student, or US mail. The notice will include the students' conduct, school rule(s) violated, and the number of days the student is suspended. This requirement does not preclude administration from contacting parents by phone and assigning an immediate suspension when deemed necessary. Leaving a message at the phone number recorded in the school file will be considered sufficient notification. Parents will also receive the notice sent home with the student. A meeting between a parent and an administrator may be required prior to the return

of the student serving an out-of-school suspension. However, failure of the parent to attend the conference does not preclude the student's readmission to the school. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus. Students who receive an out-of-school suspension will not be able to participate on any overnight field trips for the rest of the school year.

- **Option to Withdraw** - A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which the student resides according to the Charter School Act. A student who is suspended or expelled from a charter school as a result of a disciplinary action taken by a charter school shall be entitled to enroll in a local school within the local school system in which the student resides if, under the disciplinary policy of the local school system, such student would not have been subject to suspension or expulsion. In such instances, the local school system shall not be required to independently verify the nature or occurrence of the applicable conduct, or any evidence relating thereto.
- **Academic And/Or Behavioral Contract** - Students who have been given consequences based on Step 4 of the disciplinary cycle in any category will be asked to enter into an academic and behavioral agreement. Failure to sign the agreement by the parent and/or student will not hinder the school administration from taking any further actions.
- **Zero Tolerance Policy** - Students who commit the following offenses will automatically be referred to the Disciplinary Tribunal for an expulsion hearing: issuing a bomb threat; participation of a gang organization; distribution, sale, or attempted sale of alcohol or controlled substances (drugs, i.e. marijuana, etc.) or counterfeit drugs; distribution, sale, or attempted sale of controlled paraphernalia (pipes, papers, etc.); use of alcohol or a controlled substance at the school premises or school sponsored events; arson; repeated offenses of bullying or sexual harassment or misconduct; assault or battery of a school employee, assault or battery to a student at the discretion of the administration; possession of a deadly weapon; and the use of dangerous weapons to threaten, intimidate or injure.

CLASSROOM MANAGEMENT PLAN

RCSA uses a School-wide Classroom Management Plan in which all faculty and staff work in a cooperative systemic effort to encourage a successful learning environment. This plan is designed to ensure an effective learning atmosphere for all students and to curtail any minor inappropriate behaviors that disrupt the learning environment. All parents are required to be connected to Class Dojo, which tracks students' behavior throughout the day.

School-wide Rules:

1. Respect yourself and others
2. Follow directions the first time
3. Be prepared for each class
4. Keep yourself to yourself
5. Transition quickly and quietly

The structure of the Classroom Management Plan consists of three main parts:

- **Rules** - the expected behaviors for all students
- **Consequences** – what the student chooses to accept if a rule is broken
- **Rewards** - what the student receives for appropriate behavior

RCSA classroom management techniques include but not limited to following items:

1. Verbal correction
2. Cooling off time or "time out"
3. Seating changes in the classroom
4. Counseling by teachers, counselors, or administrative personnel
5. Before or after school, lunch, and Saturday detention
6. Parent/Teacher conferences
7. Temporary or permanent confiscation of items that disrupt the educational process. RCSA is not responsible for lost/stolen items that have been confiscated according to District policy
8. Temporary placement in another classroom
9. Grade reduction as permitted by RCSA policy for cheating and plagiarism
10. Rewards or demerits
11. Behavioral contracts

12. Sending the student to the office or other assigned area, or to in-school suspension (ISS)
13. Withdrawal of privileges, including participation in extra-curricular activities
14. Other strategies and consequences as specified by the RCSA Student Code of Conduct

Cheating and Plagiarism

The dictionary defines **plagiarism** as "taking ideas or writings from another person and offering them as your own." The student, who leads readers to believe that what they are reading is the student's original work, when it is not, is guilty of plagiarism. Credit should always be given to the person who created the words or idea. Contact RCSA's media specialist or **www.educationcentral.org/intech/** for more details. Unless it is otherwise stated, assume that all materials on the Internet, including Web sites and graphics, are copyrighted, and that existing **copyright guidelines**, such as those involving photocopying, electronic copying, multimedia, and fair use, apply. Students using computers and the Internet should be aware of what is and is not allowed as it pertains to software, multimedia productions, and Web publishing. Contact the school's media specialist or **www.educationcentral.org/intech/** for more details.

Homework Policy

Homework is an essential part of your successful educational program at RCSA. Doing homework will help students develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is each student's responsibility to complete and turn in homework on time. In case of conflict regarding homework assignments the teacher's record is final. If students or their parents have questions about homework, immediately contact the teacher who assigned it. Teacher's e-mail is available and daily assignments are posted on RCSA Connect.

RECOGNITION

Students are recognized on a regular basis and rewarded for accomplishments.

MEDICATION POLICY

The medication to be administered by designated school personnel must be sent directly from the pharmacy or physician's office or brought to school by the student's parent/guardian. The school must receive a Medication Permission Form signed by the student's physician and parent/guardian.

1. The principal or a trained designee may administer prescription medication to a student while at school provided that for each prescribed medication, the student's parent or guardian shall provide to the school principal a written statement which shall grant the principal or his designee the permission to assist in the administration of each prescribed medication and which shall explain the necessity for the prescribed medication to be provided during the school day, including when the student is away from school property on official school business. DIRECT CONTACT COMMUNICABLE DISEASES

RCSA seeks to provide a safe educational environment for students and staff. RCSA is also committed to assuring the confidential status of individuals who may have been diagnosed with a blood-borne communicable disease. Student instruction will be developmentally appropriate. This can be best accomplished by assuring that all persons within the school community understand the method of transmission and prevention of disease that are not contracted through air-borne pathogens, but rather, through direct contact with body fluids and excretions, especially blood, vomit, feces, or urine.

For purposes of this, these diseases shall include:

- A. HIV (human immunodeficiency virus)
- B. AIDS (acquired immune deficiency syndrome)

AFTER SCHOOL ACTIVITIES

- A number of extracurricular clubs and/or enrichment activities are offered for students. Nominal fees may be charged for participation in order to cover the cost of materials, supplies and/or other expenses. There is no better way for students to enrich their education than by taking part in clubs and after-school activities or through working with a teacher.

Students staying for after school activities will be expected to follow the following rules or they may be banned from all after school activities:

- You may not stay after school to wait for another student.
- You must be with a teacher or other staff member at all times.

- Signing up for after school activities is required for each semester in order to be eligible to participate. If student does not have any after school club or activity should report to study hall for after school care.

HOME VISITS

Researches show that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen relationships between parents and teachers. Home visiting programs are an effective way for teachers to get

parents involved in their child's education and to let parents and children know how much they care. Therefore, RCSA encourages teachers to visit their students at their homes.

CELLULAR TELEPHONES/ELECTRONIC DEVICES

- Students are permitted to bring cell phones to school, however it is not encouraged. Cell phones must be turned "off," and may not be used or displayed openly inside the school building during regular school hours (7:40 am to 2:45 pm).

If a parent/guardian cannot pick it up, the item may also be shipped to a home address, if the shipping charges are pre-paid by the parent. At no time, shall RCSA be responsible for theft, loss or damage to cell phones or other electronic devices brought onto its property.

LUNCH/NUTRITION PROGRAM

Students may purchase a nutritional lunch in the school cafeteria or may bring their lunch from home. The cost for student lunch is announced at the beginning of the school year. Lunch account balances must be kept current and can be paid directly through the business office or on the Slalunch.com website. Students needing free or reduced lunch should contact the front office.

STUDENT RECORDS

A student's school records are private and confidential. Student's parents/guardians and certain school officials and workers are the only ones who may see school records without the parent's or guardian's written permission.

WALKERS & BIKERS

RCSA takes no responsibility for student walkers and bikers. Due to limited sidewalks and high volume traffic in the immediate area, walking and bicycling is strongly discouraged.

Parents/Guardians who desire for their child to walk/bike to or from school must submit a written request to the RCSA administration for consideration.

SCHOOL SPONSORED ACTIVITIES

From time to time, RCSA administration may organize or sponsor off-campus activities. Unless otherwise specified by the administration, all school rules are in effect in any such school sponsored activity. Eligibility to participate in such programs and specific policies will be determined and announced by the administration as needed.

VISITORS AND VOLUNTEERS

RCSA values the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program. To ensure the safety of all students, any volunteer that comes in contact with students must complete a DCPS volunteer application at:

<http://duvalschools.org/Page/7416>. **This includes eating lunch with your child.**

Parents must sign in at the front office to visit teachers and students.

EMERGENCY DRILLS

Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in an emergency. A comprehensive emergency preparedness plan is on file in the office.

RECORDING DEVICES – AUDIO or VIDEO

RCSA prohibits the use of audio or video recording equipment by anyone other than RCSA staff or personnel on the RCSA campus, within the school building, or at school sponsored events (on or off campus) without express written permission from the RCSA Administration. Students found in violation will have their recording device confiscated, and be given an *Office Referral Form* for unauthorized recording. Parents or non-RCSA personnel found in violation will immediately be required to leave - if uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

STUDENT AGENDA / HALL PASSES

Students must bring their agenda to school daily, and carry it with them to all of their classes. Teachers will issue hall passes to students who have justifiable reasons for leaving the room through hall pass.

It is the student's responsibility to maintain their Student Agenda in the original condition as it was issued:

1. The front and back cover must not be altered or removed - The front cover and back cover must remain attached, and must not be altered, cut, or damaged in any way.
2. Student & Parent Handbook may not be removed - The Student & Parent Handbook section must remain intact as a part of the Agenda so that students and parents may reference the school information and rules at any time.
3. Dated pages may not be removed - Dated pages must remain in the Agenda for student, parent, and administrative reference to past assignments, phone permissions given, and/or hall passes issued.

Should a Student Agenda fail to meet these requirements, it will be confiscated and the student will be required to purchase another Student Agenda. A replacement cost of \$10 will be required for lost or damaged agendas.

STUDENT I.D. CARDS

Student I.D. cards are issued to all students for security and identification purposes. Student ID tags will be issued until student ID's are issued to each student. Students must wear current school year IDs. Should the safety and security of our

students be compromised in any way, a “LOCK DOWN” scenario would occur where outside law enforcement authorities may be required to enter and secure the building – all RCSA staff and students must be able to show proper identification. All students must have their Student I.D. Card with them at all times and present it immediately when requested by school personnel or law enforcement authorities. A replacement cost of \$5 will be required for lost or damaged cards. It is recommended that all students maintain their Student I.D. Card on their lanyard around their neck. Students whose ID’s are not visible may receive conduct points or a referral.

TELEPHONE CALLS

Students may not be called from class to talk on the telephone during school hours, nor are they allowed to make outgoing calls except in the most necessary circumstances. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items. The school does not have sufficient phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning. We ask that all students please come to school in the morning clearly knowing whether their parents expect them to ride the bus, or be picked up by car in the afternoon.

VIDEO OR AUDIO SURVEILLANCE

RCSA may use video or audio surveillance to monitor halls, classrooms and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Only select administration and legal authorities are permitted to view video surveillance due to privacy rights. No other request of viewing will be honored.
